Miami Jazz Cooperative Musician Member Application

The Miami Jazz Cooperative, Inc. (MJC) is a 501(c)(3) nonprofit organization (IRS determination pending) the mission of which is to establish and operate a dedicated jazz facility in Miami-Dade County, Florida, for the mutual benefit of jazz students, jazz musicians, and their audience. To this end, the MJC is committed to supporting the appreciation of jazz in the South Florida community through education and outreach.

I apply to be a Musician Member of the MJC and, as a Musician Member, I will make the development and success of the MJC a personal high priority. Other than the annual dues, this is not a commitment of financial support but does include networking to identify benefactors, recruiting Member Musicians, promotion of the MJC at public appearances and social media, participating in fund-raising performances, and authorizing the use of my name and photograph as a Musician Member on MJC letterhead, web site, donor/sponsor solicitations, grant applications, and promotions. I understand that the activities and business of the MJC will be overseen and governed by its Board of Directors, not its Musician Members.
